

How to get a Free Paramount+ Subscription** Tom Kelly, UCUG

Paramount+ is a streaming service. It seems to always offer a FREE one-week trial subscription. Regularly, it has promo codes that provide a FREE one-month trial subscription.

They require a credit card to start a subscription. If you don't cancel before the end of the FREE trial subscription, they will renew your subscription and charge your credit card until you cancel.

How to get the deal

1) **READ ALL OF THE SCREENS BEFORE CONTINUING.**

2) In a new browser tab, open the link below.

Note the promo codes.

3) In a new browser tab, open the link below.

<https://www.paramountplus.com/>

4) Click “TRY IT FREE” button.

5) Click “CONTINUE” button.

6) Click “Select Plan” button for the plan you want.

You might as well choose “Premium” for the FREE trial subscription.

You can change to plan later if/when you desire to do that.

7) The next screen offers the “Paramount+ with Showtime Bundle”.

Click the button for the streaming services you want.

The following steps presume you clicked “MAYBE LATER” button.

8) Click the “Continue” button.

9) Fill out the form to create a Paramount+ Account and click the “Continue” button or SIGN IN.

10) Fill in payment method.

Click “Have a coupon code?”

Enter a promo code in box and click “APPLY” button.

If code doesn't work, try a different code.

11) The Trial Offer should change to 1 Month Free.

Today's Total should change to \$0.00.
